Henry,

Thanks for getting back. Sure, an email would be fine, with a follow up call early next week.

Sorry guys. Garfield is at the INTA conference, and I have been in a hearing. Agreed that we need to catch up. My issue is that I am going to be tied up until the end of the day tomorrow at the earliest. If it works for you, I can send an email during a lunch break with an estimated time for when I will be done. I could connect then on the discovery issues, and then we could try for a call next week to discuss any remaining issues, including settlement.

Thanks,
Henry

Henry and Garfield,

I haven't heard back from you yet, which is pretty unusual. I've spoken with Larry, and we just want to be in sync on the next steps before we head into Thanksgiving week.

Thanks,

Ken
